

Leash Walking Class Starts Mon, June 5th at 8pm

Leash Walking

Put an end to pulling and racing out in front of you. We are masters of allowing our dogs to drag us down the street. All dogs should be taught how to walk on leash in a positive, fun way without being jerked or choked. In four short weeks you can enjoy walks with your dog. Teach your dog to walk without pulling.

CLASS PRICING – Four weeks for \$75.00
